- Respect and abide by the decisions made by the coaching group.
- Respect the officials and their authority during sessions and matches within the event location and under the auspices of the organisers.
- Not be openly critical or verbally criticise officials (including umpires).
- Encourage my child to focus their efforts and success in terms of their team goals and their role within the team.
- Set a good example by applauding good play on both sides and give positive encouragement but no instructions as they may contradict with the team plan and confuse my child.
- Respect my child's teammates and leaders as well as players, parents and coaches from opposing teams. (I will therefore not openly criticise any other team members).

- Know my child's training and competitive programme and accept it is my responsibility for delivery and collecting my child punctually.
- Ensure the team manager is informed regarding any absenteeism, medical conditions or other relevant matters concerning my child.
- Ensure that my child follows the advice from the medical staff and other experts in preparation for playing hockey.

- Arrange an appropriate time and place for discussing any issue I have concerning my child with the children's officer / team manager/coach/sports leader. (Communication should not take place whilst the manager / coach/ sports leader is in a position of supervision or responsible for other young people).
- Provide the manager of my child with emergency contact information and will be reasonably available in case of emergency.
- If I feel my child has been unfairly treated, I will bring that to the attention of the child welfare officer, an age group manager, team coach, junior club director or club president with the knowledge that any complaint will be dealt with promptly, effectively and confidentially.
- Have the opportunity to put forward suggestions and comments after games, training or during the season in an encouraging and non critical manner.
- Be supportive, be there for my child, listen to them and trust that they are in good hands for the duration of their training or match.
